

Jefferson Grange #1384, established in 1908, was a fixture in the Southern Schuylkill area for more than a century. **In May 2021, this nonprofit local chapter of the National Grange was reorganized, and we have hit the ground** running with dozens of active members of all ages and backgrounds.

Our motto is: “The work of another day demands our attention,” a phrase that comes from the opening of each Grange meeting. Our members take this to heart, putting in countless hours and contributing time, talents and financially to ensure our Grange is fulfilling our mission to “build local resiliency and sustainability in Southern Schuylkill County.”

We do this by:

- **Cultivating Community Identity and Honoring “Those Who Do”** – by taking part in or creating events that make memories to last a lifetime and impress upon our youth and Juniors how special our hometowns are and honoring veterans and other heroes and recognizing individuals who make our communities places we love, not just live
- **Showcasing Local Businesses and Agriculture** – by introducing individuals to a variety of locally grown and locally made products and encouraging support of our neighbors’ businesses through a variety of partnership opportunities
- **Providing Leadership and Personal Development Opportunities** – from skills training such as public speaking and basic construction principles or sewing techniques to multi-generational experiences and mentoring
- **Offering Fellowship and Fun** – with shared meals, outings to local parks and agrotourism destinations and celebrations in honor of members’ accomplishments and life events

Our goals are lofty but attainable – with your support. **That is why we are asking you to partner with us as a sponsor for our first softball tournament to benefit Special Olympics, scheduled for May 19-21 at Schuylkill Haven Island Park. The weekend will include food, fun and games for fans young and old, raffle baskets, a “heroes” game on Friday night and an exhibition game of Special Olympics Athletes on Saturday.** We would love to have you as a sponsor for this event. Our sponsorship levels start at \$100. Please see the attached sponsor level document. Your contribution will go directly to Special Olympics to help their athletes seeking to create a competitive softball team for Schuylkill County. (Of course, you may also field a team for the co-ed, slow pitch tournament!)

We know without charitable individuals like you our communities would not be the same. For that reason, **you can be assured you will find an equal partner in Jefferson Grange.** We will provide information about your support on our social media and website as well as on event banners, shirts and other items, and you will be invited to and recognized at our annual partner appreciation and community networking event. You will not find better advocates for your business because we know not only are you economic drivers for our county, but it is your generous support of things like this tournament that help to improve the quality of life for all of us.

To get more information, please send an email to jeffersongrange1384@gmail.com or call/text our Secretary Amanda Brozana Rios at (301) 943-1090. **You may make your donation on our website at www.jeffersongrange1384pa.org/sponsor or send it by check, payable to Jefferson Grange #1384, to our Secretary at 1509 Red Dale Road, Orwigsburg, PA 17961 by April 25, 2022.** We appreciate you, your support of our good work and our hometowns and thank you in advance for your consideration.

Our best regards,

The members of Jefferson Grange #1384
